Old business:

Dust control and road stabilization was discussed. There is nothing new until the gravel testing is done. Raspberry Road needs gravel. There will probably be a comparing between added new gravel to old gravel when and if dust control is applied. Apple, Maple Shores, Blue Bell, and Hazelnut Roads are some of the possible choices for dust control application.

There was nothing new on the resolution setting building inspector fees.

Member Orvis was ill so he could not attend the Drainage & Wetland Conference Monday, February 13, 2017, at St. Cloud.

New business:

There will not be a working planning commission meeting in March unless the board schedules one.

The next regular Planning Commission Meeting will be held at 7:00 pm, Tuesday, March 28, 2017.

Being no further Planning Commission business, motion to adjourn by Member Valvoda, second by
