Old Business:

Member Valvoda moved, Member Schneider seconded, to forward to the board the draft town line road agreement. This draft remained the same as that shown to the commission and board last month. Road Superintendent Dan Saumer had reviewed the draft and recommended three additions: a statement of process if a town line road were proposed for abandonment; residential culverts should remain the responsibility of the town in which they are located; and a statement of process if another entity were to take over the road. The motion carried unanimously.

Clerk Swanson distributed an updated draft for a proposed fencing ordinance reflecting the consensus of the working planning commission meeting. Chair Orvis noted that substantial work still needs to be done before a fencing ordinance will be ready for board review.
