Absentee voting is available for those voters who wish to cast a ballot before Election Day. Absentee voting will open on 7 February 2025 and close at 5:00 p.m., Monday, 10 March 2025.

Several options are available:

1. If a voter wishes to vote by mail, an absentee ballot application must be completed and returned to the township office, either in person, by mail, or by e-mail. Absentee ballot applications are available from the Royalton Township clerk's office or one can be downloaded from the Minnesota Secretary of State's website: sos.state.mn.us. Upon receipt of the application, the township office will mail a packet of instructions and the ballot to the voter with a postage paid return envelope. *Please note that this process can take some time, so applications should be submitted as soon as possible.*
2. If a voter wishes to vote early in person, two options are available:
 - a. Voters may arrange an appointment with the town clerk to vote in person, beginning on 7 February 2025 (telephone 320-396-2982 to arrange an appointment). The voter must complete an absentee ballot application and then will be given a ballot and a secrecy envelope into which the voted ballot will be placed and sealed.
 - b. The town clerk's office will be open for voting on Saturday, 8 March 2025 from 10:00 a.m. to 12:00 p.m. (noon) and on Monday, 10 March 2025, from 1:00 p.m. to 5:00 p.m. Voters at this time must complete an absentee ballot application and will be given a ballot and a secrecy envelope into which the voted ballot will be placed and sealed.
